Cabinets can be placed on benches, and then fixed with screws. The seat consists of three wooden slats coated with clear varnish or plastic slats, especially recommended for use in wet environments. In our offer, we have very practical, extendable benches which help to save space. These benches are ideal where it is essential to organize a space effectively. The bench has an extendable seat, which fits under the wardrobe. Assembly is necessary. Delivery costs are not included, but this can be agreed separately.
