Cabinets for doctors are ideal for equipping doctor’s offices, pharmacies, and other medical rooms. Cabinet doors are made of tempered glass. Glass shelves are adjustable every 25 mm. The door handle is equipped with a protecting lock which secures the doors in two points. The cabinets are available in stainless steel sheet version, at an extra cost. It is possible to order the cabinet on wheels which allow for easy movement. Swivel wheels are antistatic, do not leave scuff marks on the floor, and two are with brakes. Assembly not necessary. Delivery costs are not included, but this can be agreed separately.
