During the design and manufacturing process, we care about all the details: order, safety, versatility, functionality, ergonomics, design and most importantly - people and their needs at the workstation. Our workshop cabinets, trolleys, boxes, workbenches, tool walls and industrial computer cabinets due to their high quality, functionality and durability will surely meet your expectations. Our workshop furniture allow for practical arrangement of every workstation. Every workshop furniture is made of powder coated steel sheet protected from corrosion, in 16 standard colours. It is also possible to customize the construction and the colour according to the client’s individual needs. SWM WORKSHOP CABINETS Anyone can choose the suitable cabinet for storing any kind of equipment in their workshop. Extremely strong and practical metal workshop cabinets perform well under any conditions. The height of shelves is adjustable due to mounting holes punched every 25 mm. Door handles are equipped with a 2 point blocking lock. SWM 501 WORKSHOP CABINET Inside there is a perforated wall, 2 drawers, 2 shelves adjustable every 25 mm. Set of hooks – set individually (at an extra cost). Assembly not necessary. Delivery costs are not included, but this can be agreed separately.
